Docket No. ER22-1520-001

Issued: August 25, 2022

Exelon Corporation
701 Ninth Street, NW
Washington, DC 20068
Attention: Amy L. Blauman

Reference: Commonwealth Edison Update to Attachment M-2

On March 31, 2022, as amended on June 24, 2022 and supplemented on August 24, 2022, Exelon Corporation (Exelon), on behalf of its affiliates Commonwealth Edison Company and Commonwealth Edison Company of Indiana, Inc. (collectively, ComEd) filed¹ revisions to Attachment M-2 (ComEd) of the PJM Interconnection, L.L.C (PJM) Open Access Transmission Tariff to incorporate changes in response to recent Illinois legislation.² ComEd states that the amendments clarify that Capacity Peak Load Contributions and Network Service Peak Load Contributions will reflect both consumption and generation for net metering and community supply projects in Illinois and can therefore result in a positive or negative value for any such individual customer's peak load contribution calculation.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307 (2021), your submittal is accepted for filing, effective September 1, 2022, as requested.

The filing was publicly noticed with comments, interventions, and protests due on or before April 21, 2022 and July 15, 2022, respectively. Pursuant to Rule 214 of the

¹ The filing is submitted by PJM on behalf of Exelon, consistent with PJM's obligations to retain administrative control of its tariffs. See March 31 Transmittal Letter at n.1.

Commission's regulations (18 C.F.R. § 385.214 (2021)), notices of intervention, timely-filed motions to intervene, and any unopposed motions to intervene out-of-time filed before the issuance date of this order are granted. Granting a late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.³

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed document(s); nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the applicant.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713 (2021).

Issued by: Kurt M. Longo, Director, Division of Electric Power Regulation – East

³ On April 21, 2022, the Illinois Industrial Energy Consumers (IIEC) submitted a protest. On May 10, 2022, the IIEC withdrew its protest, which was unopposed.
